Dear Ms. Kane:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 09-806 and proposed by the Indiana Natural Resources Commission ("NRC"). The proposed rule establishes a general license for the placement of qualified aerators in public freshwater lakes.

The economic impact statement prepared by the NRC indicates that the proposed rule will not impose any economic impact on small businesses.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or [rasberry@iedc.in.gov](mailto:rasberry@iedc.in.gov).

Regards,

Ryan Asberry  
Assistant Vice President
